"I grew up listening to K-LOVE. Recently my family has been going through a very difficult period. My husband has been unemployed for 5 months and we have 3 small kids. I turned back to listening to K-LOVE because I felt I needed the encouraging word to remind me of just how faithful God is. I listen to you all the time and it has really made a positive change in my life. I thank you so much for your strong words of kindness"

"I love to listen to K-LOVE in the car. I have three kids; an 11 year old girl and boy/girl twins who are 5. My twin girl has been asking lots of questions about what the songs mean. It has been a great way for me to teach her things about the character of God."

"Hello! Hopefully my story is inspiring to you all. Lately, I have had no interest in God. I want to have an interest but, for some reason, something is holding me back. Whenever I listen to your music though, it feels like a huge curtain is being lifted up and I can have a true relationship with Him. Thank you for this station. I believe my relationship with God is getting better partly because of you. Thank you SO MUCH again and God bless"
